WISFAT 2.0

- Who has access to this interface?
  - ✓ Only registered notifiers nominated by their administration;
  - ✓ As many notifier(s) as needed;
  - ✓ Responsibility of the administration to inform the Bureau of any changes regarding the registered notifier(s).

- Which notice files can be submitted?
  - ✓ Notices for recording in the Master Register, to modify Plans and for the Seasonal Planning of HF bands (HFBC - Article 12).

How to become a registered notifier

- The administration selects the notifier(s);
- The selected notifier(s) must have an ITU Login with TIES services
  - ✓ ITU Login can be requested from the web site:

    https://www.itu.int/en/ties-services/Pages/default.aspx

  - ✓ Click on "ITU User Account" and follow instruction;
    - Your ITU focal point must approve your request;
    - Make sure that the ITU focal point is still active within your Administration, if not inform the Bureau;
- The administration must send an official e-mail request to the BR (brmail@itu.int):
  - ✓ Name, position, service e-mail, ITU login;
- BR will inform the notifying administration with the latest list of notifiers.
