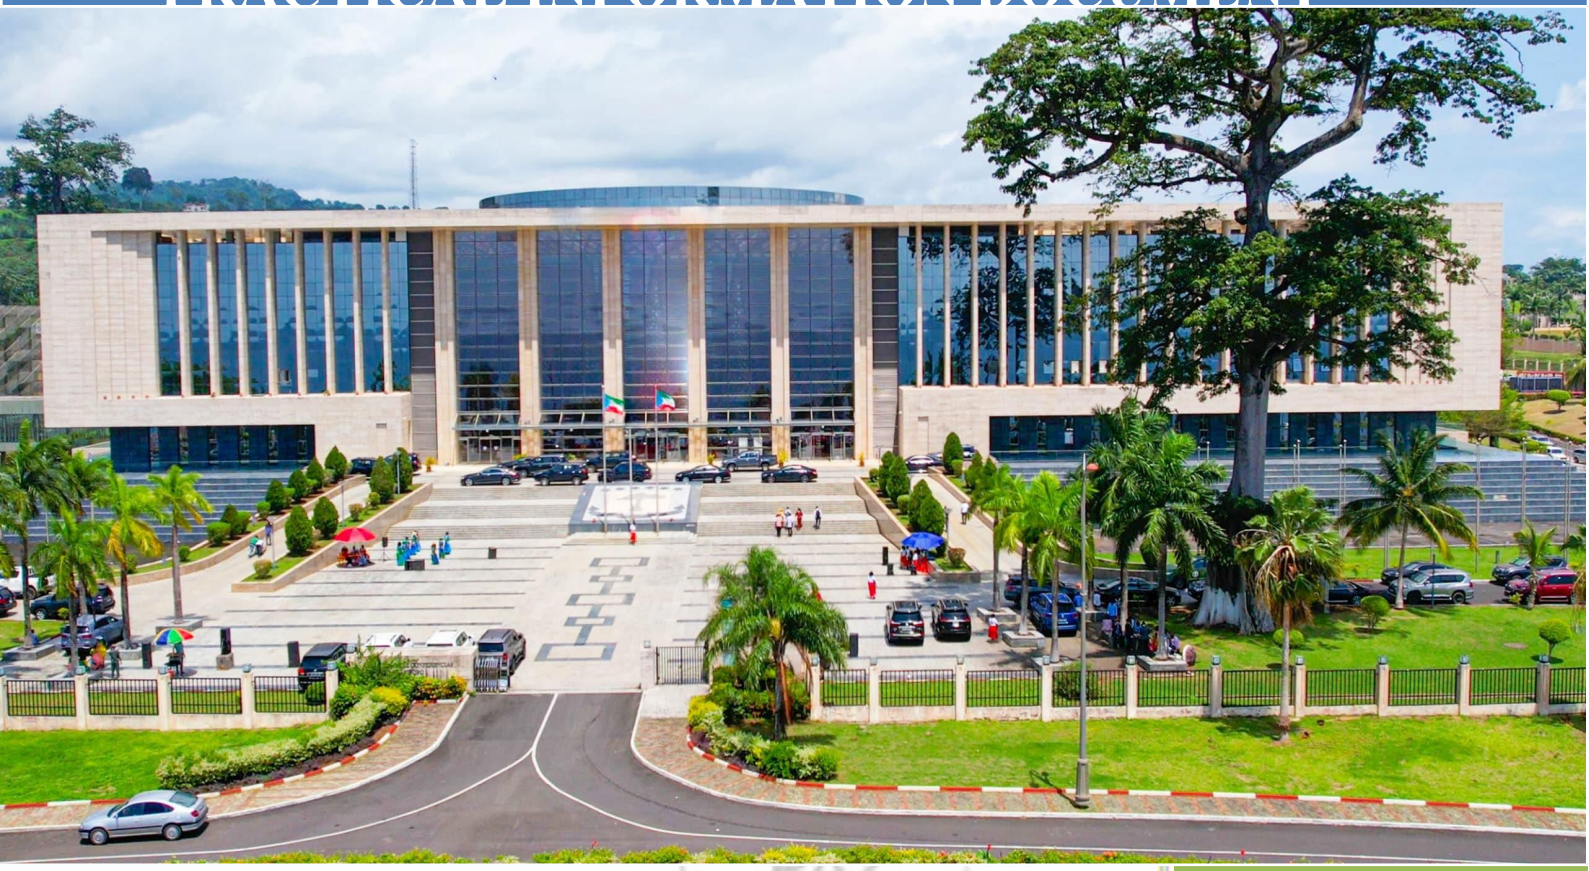
AND ARTIFICIAL INTELLIGENCE SYSTEMS

PRACTICAL INFORMATION DOCUMENT



Meeting of ITU-T Regional Group for Africa (SG5RG-AFR) and Associated Workshops

Sipopo-Malabo, 19-22 May 2026

1. General Country Information

- **Official Name:** Republic of Equatorial Guinea
- **Capital:** New Capital City of Peace (Djibloho)
- **Official Languages:** Spanish, French, and Portuguese
- **Currency:** Central African CFA Franc (XAF)
- **Time Zone:** GMT +1
- **Climate:** Tropical (humid). Average Temperatures: 24°C-30°C

2. Event Venue

- **Venue:** Sipopo International Conference Center
- **City:** Sipopo–Malabo, Bioko Island.

Early arrival is recommended for registration and accreditation.

3. Entry into the country and visa

Most visitors need a visa to enter Equatorial Guinea, available online at **https://equatorialguinea-evisa.com** or through the corresponding embassy in their country.

Recommended procedure

1. Equatorial Guinea, through the International Telecommunication Union (ITU), will issue an official Letter of Invitation.
2. The visa application is made through the Equatorial Guinean embassy in the applicant's country or via online application through the link: online application.
3. It is recommended to send the visa application, the required documents, and the Letter of Invitation in advance.

Passport validity: minimum 6 months.

4. Arrival and Airports

Main Airport

- Malabo International Airport (SSG)

Participants are advised to:

- Confirm their itinerary in advance
- Inform the organizers of their arrival date/time for logistical coordination

5. Local Transport

- The transfer between Malabo Airport and the recommended hotels takes10-15 minutes.
- The transfer between the hotels and Sipopo, the event venue, takes 30 minutes.
- It is Recommended to use:
  - Official event transportation.
  - Authorized taxi: The event works in coordination with authorized taxis, and they can be contacted for transfers at any time.

6. Accommodation

Malabo has international hotels and high-standard accommodations.
It is recommended to book in advance due to increased demand during international events.

7. Internet and Mobile Phones

Internet: Coverage available in hotels and urban areas.
It is recommended to have a local SIM card, choosing between the two local operators.
The local Organizing Committee will assist all participants who wish to have a local SIM card and mobile internet data.

8. Health and Recommendations

- It is recommended to travel with the Yellow Card (International Certificate of Vaccination).

9. Safety

Equatorial Guinea is a safe country for official events.
It is recommended to:

- Carry identification or passport
- Follow the organization's instructions
- Notify the organization of any unnecessary travel during nighttime hours.

10. Recommended Attire

- Light clothing for the tropical climate
- For the event: formal or business casual attire
- It is recommended to bring a light jacket for air-conditioned rooms
