**Subject: ITU/BDT Arab Regional Workshop on “Voice over IPv6”
Smart Village (6th Oct. Gov.) - Egypt, 20 – 22 October 2009**

Dear Sir / Madam,

On behalf of the **ITU Arab Regional Office and the National Telecom Institute - Egypt**, we are pleased to invite you to participate in the Arab Regional Workshop on “**Voice over IPv6**”, to be held in the Smart Village (6th October Gov.) - Egypt, during the period 20-22 October 2009.

Reference is made to the 2009 CoE Action Plan, which was approved during the 2nd Advisory Committee Meeting, Cairo (Smart Village), 1-2/3/2009 and the recommendations of participants in the previous ITU/BDT Arab Regional workshops in order to build up a relevant capacity process for the professionals in the region.

Workshop Description: The workshop covers all the issues related to Internet Protocol, especially the VoIP based on IPv6, as well as the migration from IPv4 to IPv6. Hands-on activities throughout the duration of the workshop reinforce the learning experience and allow for the participant to develop target competencies and to link the theory to real life situations.

Target Audience: This workshop is intended for professionals from the administrations, regulatory authorities, operators and Internet service providers, in addition to software engineers, system engineers, network professionals, network planners, and others who plan on using, evaluating, managing an IP network and providing business services or working with multimedia networks, in addition to the experts, trainers and others who are dealing with such issues or who will be prepared to handle these tasks in the future.

The workshop will focus on the following subjects:

- Overview of IPv6.
- IPv6 versus IPv4.
- IPv6 and Quality of Service.
- IPv6 transition.
- VoIP based on IPv6.
- Mobile IPv6 (Case Study: WiMAX,...)

It is essential to submit for each candidate the Registration Form; Annex (1), no later than **1 October 2009**, to:
