

## 金恩珠 博士

金博士现在是 ITU 设立在泰国曼谷的亚太地区办公室的主管，主要负责这个地区 38 个成员国的事务。

加入 ITU 之前，曾经是全球 ICO 监管事务的主管，在伦敦城市大学教授电信政策和管制的课程，也曾经是韩国信息通信部部长的高级顾问。

她分别在汉城国家大学和伦敦城市大学获得了硕士学位和博士学位。

她已经出版了八本专著，在各国的刊物上发表了 80 多篇文章，专业领域涉及到电信政策和管制、ICT、性别、标准化、国际组织和关系，以及有关电子商务、网络法律、下一代网络和 ICT 资源的管理的新问题。

1988 年以来，她参加、主持或出席了一些国家、地区和国际性的会议和研讨会。

## **Dr. Eun-Ju Kim**

Dr. Kim is currently Head of ITU Regional Office for Asia and the Pacific based in Bangkok, Thailand, responsible for 38 Member States in this region.

Before she joined the International Telecommunication Union (ITU) – a UN Special Agency for Telecommunications and ICTs, she had served several senior posts such as Director for Regulatory Affairs at the ICO Global based in London, Lecturer for telecommunication policies and regulations at the London City University, and Senior Adviser to Ministers at the current Ministry of Information & Communications in the Republic of Korea.

She has been educated from the Seoul National University in Korea and the London City University in the United Kingdom for her two Masters and Ph. Degrees respectively.

Eight books and over eighty articles/papers have been published or presented in many countries (e.g., Korea, the UK, Japan, Thailand, India, China, Bhutan, Switzerland, Malaysia, Mongolia, Sri Lanka, Indonesia, Philippines, etc.) on professional areas such as telecommunication policy and regulations, ICTs, gender, standardizations, international organizations (e.g., ITU, UNESCO, OECD, INTELSAT etc.) and relations, and new emerging issues like ecommerce, cyberlaws, next generation networks, and management of resources of ICTs. She has also attended, chaired and represented at numerous national, regional and international meetings and conferences since 1988
