

A close-up photograph of two young children, likely of East Asian descent, sitting at a desk and looking intently at a laptop screen. The child in the foreground is a young girl with dark hair, wearing a red and white striped shirt, with her hand on the laptop keyboard. The child behind her is a young boy, also in a red and white striped shirt, looking towards the screen. The background is softly blurred, showing what appears to be a classroom or library setting with bookshelves.
