HIPCAR Working Group 1

2nd Consultation Workshop (A)

(St. Kitts, 19 – 22 July 2010)

Objectives:

With the support of all of you alongside the Project team of international and regional experts…

- Review, discuss, reach a consensus on, and finalise the draft Model legislative texts relating to the 3 Information Society issues:

  (a) Privacy & Data Protection
  (b) Cybercrime / e-Crime
  (c) Access to Public Information

- Enhance your understanding of the issues & options on developing ICT policies & regulations for the region, & sharing this understanding in your home countries
