

Democratic People's Republic of Korea

PART I

- Focal Point Regarding Correspondence on this Questionnaire

- 1. Mr. PAK Kwang Sik**
- 2. Democratic People's Republic of Korea**
- 3. Democratic People's Republic of Korea**
- 4. Manager of Department of Radio Regulatory, Ministry of Posts and Telecommunications, DPR of Korea**
- 5. Oesong-dong, Central District, DPR of Korea**
- 6. Tel: + 850 2 3813180**
Fax: + 850 2 3814418

- Section IV - Table of Frequency Allocations (extrac from the RR, 1998) **National frequency allocations are mainly the same as the international frequency allocations. However, only the following bands are different.**

50-54MHz: This band is allocated to the broadcasting service not to the amateur service.

68-74.8MHz: This band is also allocated to the broadcasting service as well as the fixed and mobile services.

75.4-87MHz: This band is also allocated to the broadcasting service as well as the fixed and mobile services.

144-146MHz: This band is allocated to the amateur and amateur satellite services, but is not used.

146-148MHz: This band is allocated to the fixed and mobile services.

470-890MHz: This band is allocated to the fixed and mobile services provided not to cause harmful interference to the broadcasting service.

QUESTIONNAIRE - PART II

General Questions on National Spectrum Management

1. YES

- Dec. 1998

- No

2. YES

3. YES

4. YES, but for some bands and services only.

5. NO

6.

- NONE

7. NONE

8. NONE

We kindly request ITU to provide us with the data of technical development to enable us to set up comprehensive data base.

And for the establishment of data base of computer network, we also require technical training together with financial support.

9. YES

Technical and financial assistance is required for the notification of frequency assignment by electronic forms.

10. YES

We have not yet computerized the comprehensive management on the radio spectrum, and so there are many shortcomings in our planning work. Assistance is required.

11. YES, but for some frequency bands.

Assistance is required.

12. YES, but for some frequency bands.

Equipment of monitoring station for fixed and mobile service is not yet modernized.

Financial and material support is required.

13. YES, but for some frequency bands.

- YES.

14.

- Type of computer 486

- Operating system Windows

Financial and material support is required together with technical training.

15, 16, 17 data is not yet available.

18.

- a) YES
- b) YES
- c) None
- d) None
- e) None
- f) None

**We also kindly request to provide us with documentation which we do not have.
And ITU-R & ITU-T lists issued by ITU since 1995 is required.**
