TITLE: PROPOSALS TO ADD A NEW ITEM IN SECTION 4 OF RESOLUTION 4
(WTDC-98) : APPROVAL OF NEW OR REVISED RECOMMENDATIONS AND
OPINIONS

Action required:

Participants are invited to consider this document in order to speed up the approval of ITU-D Study Group recommendations.

According to WTDC/987 Resolution 4, Section 1, item 1.5, “TDAG is authorized to approve changes which are appropriate in the structure and working methods of the ITU-D study groups, during the period between World Telecommunication Development Conferences.”

According to this provision, it is proposed that TDAG adopt the following text.

Exceptionally and until final revision of the working procedure of ITU-D Study Groups, any Rapporteur Group which feels that its draft Recommendation(s) is (are) stable, could seek official approval by the next Study Group meeting.

Prior to that and in agreement with the Chairman of these, the Director will circulate the draft Recommendation in the three working languages to all Member States requesting their views and seeking their comments as to authorize the Study Groups in approving such Recommendations.
