MEMORANDUM OF UNDERSTANDING

between the

INTERNATIONAL TELECOMMUNICATION UNION

and

ANALYSYS CONSULTING LIMITED

for

**NON-EXCLUSIVE COOPERATION IN THE FIELD OF NETWORK
PLANNING**

WHEREAS the **International Telecommunication Union** (hereinafter referred to as “ITU”) having its seat located at Place des Nations, CH-1211, Geneva 20, Switzerland, is an international organization and a specialized agency of the United Nations created with the objective of facilitating peaceful relations, international cooperation among peoples and economic and social development by means of efficient telecommunication services with the purpose, among others, of fostering international cooperation in the delivery of technical assistance to the developing countries to promote the development of their telecommunication networks and services;

WHEREAS **Analysys Consulting Limited** (hereinafter referred to as “Analysys”) having its registered office at St. Giles Court, 24 Castle Street, Cambridge, CB3 0AJ, United Kingdom, is an international consulting company that provides strategy and management consultancy, information services and start-up support throughout the telecommunications, IT and media sector;

CONSIDERING the objective of the Istanbul Action Plan to develop Partnership with the private sector in activities related to telecommunication development (under Resolutions 6, 13 and 29 of ITU’s World Telecommunication Development Conference - WTDC-02);

CONVINCED that cooperation and collaboration between ITU and Analysys (hereinafter referred to collectively as the "Parties") would further common objectives in a more effective and beneficial way for developing countries;

NOW, THEREFORE the Parties have agreed to enter into this Memorandum of Understanding (MoU).

ARTICLE 1 – Objective and Areas of Cooperation

The objective of this MoU is to explore opportunities to build a non-exclusive cooperative working relationship, in areas of common interest, in order to:

- enable and enhance, according to the Parties’ respective roles and competencies, network planning training documents, courses and case studies which could complement the current programs and activities available within ITU;
- render mutual assistance within the normal parameters of each Party's capacity, with regard to the above-mentioned activities.

ARTICLE 2 – Cooperation Machinery

- 2.1 This MoU is a non-binding statement of mutual intentions of the Parties. The execution of specific activities or projects under this MoU will require the signing of separate and formal agreements between the Parties.
- 2.2 The Parties to this MoU will explore and identify the various areas in which, and the concrete activities for which, effective and practical cooperation may be possible as well as ways and means for carrying out joint cooperation efforts. Any exchange of information concerning projects or programs of the Parties is subject to the policies and procedures of the respective organizations.

ARTICLE 3 – Financial Arrangements

The Parties concur that they will each use their own funds or funding sources to perform their respective responsibilities under this MoU. This MoU does not, however, represent any commitment with regard to funding on the part of either Party.

ARTICLE 4 – Privileges, Immunities and Facilities of the ITU

Nothing in this MoU may be interpreted or construed as a waiver, express or implied, or a modification, of the privileges, immunities and facilities which ITU enjoys by virtue of the international agreements and national laws applicable to it.

ARTICLE 5 – Entry Into Force, Duration and Termination

This MoU enters into force on the date of its signature by both Parties and remains in effect unless terminated by either Party with advance written notice to the other. It will terminate sixty (60) days after receipt of such notice.

ARTICLE 6 – Channel of Communication and Notice

- 6.1 For the purpose of facilitating the implementation of the working arrangements to be established by the Parties in the framework of this MoU, the channel of communication for the Parties will be:
