

Michael Stichel

General Manager of the Network & Security Services Competence Centre Global Telecom Markets, BT Global Services

Michael Stichel joined BT Global Services in 2003 as Head of Business Management for transformational projects for carriers in Europe. Now General Manager of the Network & Security Services Competence Centre for Global Telecom Markets (formerly Wholesale Business), he supports the development and implementation of its new market strategy. He also manages major transformational projects for operators worldwide.

Michael brings to the position a broad view and extensive experience of the industry. After university studies in economics, he started his career with Hutchinson Telecom. He then held positions in EDS before joining UUNET/WorldCom, where he was responsible for business development in Eastern Europe and the Middle East.

Michael owns and rides two show horses; one competes in dressage classes, the other jumps.
