Email : [elhadjar.abdouramane@ties.itu.int](mailto:elhadjar.abdouramane@ties.itu.int)

He is working in the Ministry of Posts and Telecommunications - Yaounde, Cameroon as Chief of service in the Department of Planning and Telecommunications Studies.

He is responsible for spectrum management activities related matters (spectrum engineering and regulations, international coordination, notification etc...), homologation of equipment and systems, service licensing, rules and standards.

He has been involved in the regulations activities of the liberalization process of telecommunication in Cameroon and the development of the Cameroon's national Information and Communication Technologies (ICT) policy.

He is involved in the management of the current project on implementation of community telecentres in rural areas in Cameroon as an expert.

He has participated in several ITU activities including ITU-R SG 1 on spectrum management and ITU-R WP 8F on IMT-2000 and Systems beyond IMT-2000 meetings.

He is a telecommunication engineer graduated from the National Advanced School of Posts and Telecommunications (Yaounde, Cameroon) since 1999./-
