### **Biography**

Telecommunication Engineer by the 'Universidad Politécnica de Madrid' in 1986. I started working in GSM in 1989 in R&D in Ericsson where I spent 11 years, being Technical Leader for different R&D products and leading Datacom Department for Airtel Moviles. I joint Nortel in 2000. I was the Technical Leader for Vodafone and Wireless Product Leader for Iberia. Currently I am working in EMEA Market Development activities.
