

Liudmila Climoc – short biography.

With 13 years of activity in the telecommunication industry, Liudmila Climoc is the present CEO of Orange Moldova. Orange Moldova is the largest mobile network operator in the country, which has brought with itself an array of innovations, including Live Mobile TV, and the fastest 3G internet services in Moldova. In September 2009, Orange Moldova was the first operator in the world to launch high-definition voice services (HD voice) for mobile phones, this being the biggest breakthroughs in mobile technology in years.

Starting her career in Orange (Voxtel at those times) in 1998 as sales consultant, Liudmila is an example of how motivation, enthusiasm and professionalism lead to success and career growth. During 1999-2002, she has acted as a shop manager within the Commercial department, while between 2002 and 2005 as sales project manager, continuing with another 3 years of leadership experience as Sales Director.

Undertaking a successful professional path in sales and proving dynamism, organization and an outstanding mix of communication and analytical skills, in 2008 Liudmila Climoc has been nominated as the new CEO of Orange Moldova.
