Country of origin: Uganda

Country of study: United Kingdom

University: University of Manchester Institute of Science and Technology
(UMIST, now known as the University of Manchester)

Department: Electrical Engineering and Electronic

Field of study: Communications Engineering

Degree: MSc

Mr. Edgar Kasenene (Alumni of YES Scholarship 2003) is currently working for Ericsson UK as a Project Manager and technical leader for software implementation projects.

In early 2003, Mr. Edgar Kasenene was searching for a scholarship, which could enable him to pursue his Masters in Communication Engineering at the University of Manchester. One of his colleagues found the YES Scheme from the website and encouraged him to apply for it. Luckily, few months later, he was awarded a YES Scholarship. Mr. Edgar Kasenene would never forget the moment when he received the notification that he was the winner of the award. This insured him to dedicate all his energy and attention in his studies without worrying about his financial difficulties.

Mr. Edgar Kasenene's success of further study in the field of telecommunications opened another door to him. This Scholarship represented an asset that gave him an incredible chance to be recruited to

work in a leading telecommunications company shortly after graduation. All these experiences helped him to further develop his career in telecommunications.

“First of all, I would like to thank ITU who offered me a precious opportunity to continue my studies. Therefore, I would also like to encourage potential applicants to set goals and work hard to achieve them.” Said Mr. Edgar Kasenene. “Don’t lose confidence and be enthusiastic towards your future!”
