

BR-WISFAT Web Interface for Submission of Frequency Assignments/allotments (Terrestrial Services)

System description and specifications

1- General description

The Radiocommunication Bureau announced the implementation of WISFAT through [Circular Letter CR/297 dated 20 January 2009](#).

Since the above date, submissions of frequency assignment/allotment notices to the BR (Terrestrial Services only) shall be made via the *WISFAT* interface.

Considering that the transition period during which submissions received via brmail@itu.int were also accepted has expired, administrations are informed that the BR can no longer process notices concerning Terrestrial Services submitted via email.

Access to the *WISFAT* interface is restricted to registered *notifiers* only, and administrations can nominate several *notifiers* as required.

For registering in the BR as a *notifier*, an official request should be sent by the administration to brmail@itu.int indicating, inter-alia, the notifiers' TIES user name(s).

In addition, each administration shall indicate their email address to be used by WISFAT for official communication of automatic acknowledgment of receipts.

The screenshot shows a Windows Internet Explorer browser window displaying the WISFAT web interface. The address bar shows the URL: <http://www.itu.int/ITU-R/index.asp?category=terrestrial&link=wisfat&lang=en>. The page header includes the ITU logo and navigation links for Home, ITU-R, and Terrestrial Services. A main navigation bar contains links for ITU Sectors, Newsroom, Events, Publications, Statistics, and About ITU. The main content area features the title "WISFAT Web Interface for Submission of Frequency Assignments/allotments (Terrestrial Services)" and a text box containing the following information:

Submission of frequency assignment/allotment notices to the BR (Terrestrial Services only) shall be made via the WISFAT interface (see [BR Circular-letter CR/297 dated 20 January 2009](#)).

- ▶ [WISFAT Information document](#)
- ▶ [WISFAT Video example](#)

Below the text box is a button labeled "Access to WISFAT". At the bottom of the text box, it says: "For comments and/or questions contact brtpr@itu.int".

The login form features the ITU logo and the text "International Telecommunication Union". Below this is a "Security (show explanation)" section with two radio button options:

- This is a public or shared computer
- This is a private computer

Below the security options are two input fields: "Username:" with the value "ousmane@ties.itu.int" and "Password:" with masked characters. A "Log On" button is positioned to the right of the password field. At the bottom of the form, it reads: "© International Telecommunication Union. All rights reserved."
