

Joint Rapporteur Group 1 (JRG-1)
Meeting of Questions ITU-R 13/6 & ITU-T 4/9
Wednesday, 12 October 2005
Geneva

MEETING NOTICE AND AGENDA

As announced at the last Study Group 9 meeting in January 2005, the JRG-1 will meet at Geneva

ITU Headquarter

Room E (in the basement of the Tower building)

on **Wednesday, 12 October 2005**

at **9:30** a.m.

Please send your contribution to Masamichi Niiya and Gerardo Mesias (copy to Marie-Hélène Bercher) for posting on the Web site of **ITU-T SG 9 – ITU-R:**

<http://www.itu.int/ITU-T/studygroups/com09/index.asp>

so that all can have an early review prior to the meeting if possible.

DRAFT AGENDA

1. Welcome / Opening session
2. Updating of ITU-T Recommendation J.202 - Harmonization of procedural content formats for interactive TV applications to take account of ATSC and OCAP developments
3. Consider any new Contribution on declarative harmonization
4. Consider any new Contribution related to ITU-T SG 9 and ITU-R WP6M
5. Review previous reports of content in case these need updating
6. Respond to actions from ITU-R WP6M
7. Any other business
