

*Presents*  
***2006 IMTC Forum***  
***ITU-T Workshop***

A world map is visible in the background, rendered in a light blue color against a dark blue gradient. The map shows the continents and is overlaid with a white grid of latitude and longitude lines.

# IMTC 2006

- Stabilize and grow IMTC through new initiatives
- Revitalized web site with members only section
- Highlight IMTC Historic Archive to members
- Continue successful Interops/SuperOp!
- Continue successful WG/AGs
- Continued strong liaison with other bodies (SDOs / Fora)
- Continued marketing / promotion / education of MM communication technologies
- Allow room for any new initiative...

## IMTC 2006

- Theme of the Forum: ***“H.323, SIP – is H.325 next?”*** ”
- Leverage strong relationship with ITU-T
- IMTC asserting its role in the NGN through standardization, interoperability testing, deployment efforts.

Thanks! And Enjoy the Forum

I would like to introduce  
Jim Polizotto, IMTC Secretary  
who will provide some specific  
Information about the forum
