Company Profile

Latvijas Mobilais Telefons (LMT) is the largest and most experienced GSM 900/1800 mobile communications operator in Latvia. LMT leads the market by the number of customers, financial indices, network quality and variety of services. LMT provides post-paid and pre-paid mobile communications under trademarks LMT and OKarte. High quality, modern services of great variety and high customer servicing level are considered by LMT as the main values. The company operates a certified ISO 9001:2000 quality management system and holds a licence for establishment of 3G network in Latvia. LMT is a member of the GSM Association, ETSI and the UMTS Forum.
