Company Profile

The French Export Institute (CFCE) and the French Agency for International Business Development (UBIFrance) –soon to be merged together in a single agency– deliver a wide range of services for the international development of French companies. These services include providing valuable information on international markets; promoting French products, services and technical expertise and building contacts and partnerships with foreign professionals. The agency operates, under the authority of the ministry of economy, finance and industry, with its network of 156 trade commissions all over the world.
