**Company Profile**

CPDI is a recognized world leader in the development, delivery and installation of prepaid platforms for wireless and wireline telecommunications operators for mobile and Internet industries. Since pioneering remote intelligence prepaid calling in 1992, CPDI has installed high volume platforms in every region of the world. CPDI supports convergent technology for voice, data, video and Internet applications that keep our customers on the leading edge of telecommunications technologies. See full details at [www.cpdi.com](http://www.cpdi.com).
