The Swedish Trade Council makes it easier for Swedish companies to grow internationally by promoting, supporting and creating opportunities for Swedish exports. The IT & Telecom companies play an important role. The Swedish IT & Telecom Business Sector Programme promotes the expertise of these companies, enhancing their networks and enabling them to find new partners. Visit [itsweden.com](http://itsweden.com), the most complete guide to the Swedish IT & Telecom industry. It is a service aimed at the international business community, managed by the Swedish Trade Council and Invest in Sweden Agency.
