**Company Profile**

Groteck Co. is Russia's leading business media provider. It covers one of the professional audiences in Russia. Our advertisers have the opportunity to grow by participating in our titles: 19 magazines, several catalogues and buyers guides. We bring together consumers and suppliers as well as connect government structures with business. We regularly organize events to meet requirements of our customers. With this dialogue we serve professional telecommunications, ICT and business security markets and contribute to participants in more than 200 business events in Russia & overseas.
