Company Profile

Advanstar Communications – publishers of Telecom Asia and Wireless Asia, regional magazines published for telecommunications professionals in the region. Telecom Asia is the world's leading magazine for Asian telecommunications professionals. With 24,000 BPA audited circulation, this monthly publication provides readers the latest information on technological, business and regulatory developments within the Asia–Pacific telecoms community. Wireless Asia launched in 1998 is a monthly journal dedicated to the needs of those telecoms professionals responsible for the purchase and specification of wireless, mobile and satellite communications technology. Its 15,000 BPA–audited circulation ensures the reach of most decision makers in the region. Website: www.telecomasia.net
