**Company Profile**

Sol International is a specialist in the wholesale of SIM-free handsets and provides an exceptional service globally. Sol has built a reputation from a foundation of mutual trust and respect amongst a growing number of suppliers and customers. Connect with Sol and profit from our extensive and rapidly expanding range of products, dependable market intelligence, reliability, integrity and wealth of industry experience and knowledge. We buy all our stock from reputable suppliers which have all gone through our company and legal formality checks. Sol also commit to our regular quality control checks to ensure each phone meets our stringent requirements.
