Company Profile

T-Mobile International, one of Deutsche Telekom's four strategic pillars, concentrates with innovative services (mobile data, W-LAN, etc) on the dynamic growth markets of Europe and the USA. It owns mobile network operators in Germany, USA, the United Kingdom, Austria, the Netherlands and the Czech Republic. With its operations in the USA T-Mobile is the first transatlantic GSM mobile communications provider. T-Mobile also has considerable holdings in mobile communications providers in Russia and Poland. Deutsche Telekom's and T-Mobile International's subsidiaries and affiliated companies combined served at the end of June, 2003, nearly 88 million mobile customers around the world.
