**Company Profile**

VimpelCom (NYSE: VIP) is one of Russia's leading providers of wireless telecommunications services. The company operates under the 'Bee Line JSM' brand – one of the most recognized brand names in Russia. The VimpelCom Group's license portfolio covers approximately 92% of Russia's population (134 million people), including the City of Moscow, the Moscow Region and the City of St. Petersburg. VimpelCom was the first Russian company to list its securities on the New York Stock Exchange in November 1996. VimpelCom has domestic roaming agreements all over Russia and international roaming agreements with 320 operators in 134 countries around the world.
