Administrative Circular
CA/177

25 November 2008

To Administrations of Member States of the ITU and Radiocommunication Sector Members

Subject: Revision of Guidelines for the working methods of the Radiocommunication Assembly, the Radiocommunication Study Groups and related groups

In accordance with Resolution ITU-R 1, the Director issues Guidelines on the working methods of the Radiocommunication Assembly, the Study Groups and related groups which complement, and are additional to, the information provided in the Resolution itself. By way of this Circular, I wish to inform you of a revised edition of the Guidelines which is available from the ITU-R website at: <http://www.itu.int/oth/R0A01000001>.

The new Guidelines replace those previously announced by way of Administrative Circular CA/155 (of 6 January 2006).

The Guidelines will be reviewed periodically. Comments are invited which will assist preparation of the next edition in due course.

Valery Timofeev
