## **8 Practical information**

### **8.1 About Auckland**

Auckland is the commercial capital of New Zealand and known as the city of sails. The influence of the sea is not surprising as Auckland is surrounded by sea on both sides of the city. The narrow isthmus has the Waitemata harbor on the eastern side leading out to the Pacific Ocean, along with Manukau harbor on the western side leading out to the Tasman Sea. The population of Auckland is 1.3 Million, and is the largest population centre in New Zealand.

### **8.2 Language**

English, New Zealand Sign Language and Te Reo Māori are the official languages of New Zealand. English is spoken in all hotels, restaurants, shops and other organisations and tourist locations.

### **8.3 Climate**

In January and February, temperature daily lows can range from 12°C at night and highs up to 24°C during the day. Rainfall is usually low in Auckland around this time, however humidity can be high during the summer months due to the large bodies of water surrounding the city.

New Zealand experiences relatively little air pollution compared to many other countries, which makes the UV rays in our sunlight very strong during the summer months. In order to avoid sunburn, it is highly recommended that you wear appropriate sunscreen, sunglasses and hats when in direct summer sunlight, especially in the middle of the day (10 am - 4 pm).

### **8.4 Local time**

GMT + 13 hours with daylight saving in operation (New Zealand Summer time).

### **8.5 Public holidays**

The Auckland region celebrates the anniversary of its founding on January 26 and New Zealand celebrates the signing of the treaty of Waitangi on February 6, both by public holidays. Surcharges may apply at some hospitality venues and some services such as public transport and shop opening hours may be reduced on those days. Please bear this in mind when planning your stay in Auckland.

### **8.6 Banks & currency**

The New Zealand currency unit is the New Zealand Dollar (NZD). There are five kinds of notes (\$5, \$10, \$20, \$50 and \$100) and 5 types of coins (10 cent, 20 cent, 50 cent, 1 dollar & 2 dollar). Major foreign currencies may be exchanged to New Zealand dollars at foreign exchange counters at the airport and banks in the CBD. New Zealand banks are usually open Monday to Friday from 0930 to 1630. Major credit cards are accepted in most hotels, restaurants and department stores.

For current exchange rates please consult the following website: <http://www.xe.com/>

### **8.7 Tipping**

Tipping is discretionary in Auckland for taxis and dining, at a rate of 10%.

## 8.8 Electricity

The standard power supply in New Zealand is 230 volts. The type of power outlet/connector used in New Zealand is either a two pronged or three-pronged plug, which is also used in Australia.

## 9 Emergency phones

The nationwide emergency phone numbers are:

Police / Ambulance / Fire: 111
