The Working Parties will conduct their work in English.

### 3 Contributions

Contributions in response to the work of Working Parties 5A and 5C are invited. These will be processed according to the provisions laid down in Resolution ITU-R 1-8.

The deadline for reception of contributions not requiring translation\* (including Revisions, Addenda and Corrigenda to contributions) is seven calendar days (1600 hours UTC) prior to the start of the meeting. **The deadline for reception of contributions for these meetings is specified in the table above.** Submissions received later than this deadline cannot be accepted. Resolution ITU-R 1-8 provides that contributions which are not available to participants at the opening of the meeting cannot be considered.

Members are encouraged to submit their contributions as early as possible and possibly include a contact name and email address to facilitate the discussion (cf. § A2.2.4.4 of Resolution [ITU-R 1-8](#)).

Participants are requested to submit contributions by electronic mail to:

[rsg5@itu.int](mailto:rsg5@itu.int)

A copy of each contribution should also be sent to the Chairman of the relevant Working Party and to the Chairman and Vice-Chairmen of Study Group 5. The pertinent addresses can be found on:

<http://itu.int/go/rwp5a/ch>

<http://itu.int/go/rwp5c/ch>

### 4 Documents

Contributions will be posted “as received” within one working day on the Working Party webpages established for this purpose. The official versions will be posted on <http://www.itu.int/ITU-R/go/rsg5/en> (see “contributions” of the relevant Working Party) within 3 working days.

### 5 Participation/Visa requirements/Accommodation/Registration for the event

Registration to this event is mandatory and will be carried out exclusively on-line via Designated Focal Points (DFPs) for ITU-R event registration. **Participants must first complete an online registration form and submit their registration request for approval by the corresponding focal point.** Participants would require an ITU account for this purpose.

While registering for the event, please duly take into consideration the information related to the current sanitary measures, as indicated on the [ITU COVID-19 free website](#).

Participants are strongly encouraged to **register early** and to indicate how they intend to attend the meeting (see Annex 2), and are further encouraged to consult the safety and security information which is regularly updated before making travel arrangements should they choose to attend the event in person.

The list of ITU-R DFPS (TIES protected) as well as detailed information on this new event registration system, visa support requirements, hotel accommodation, etc. can be found at:

\* Where translation is required, contributions should be received at least three months prior to the meeting.

## **6 Connecting to the meeting sessions for remote participation**

Access to meeting sessions is restricted to event registered participants only. Delegates wishing to connect to the meeting remotely can access the Working Party meeting sessions from the webpage for remote participation:

<https://www.itu.int/en/events/Pages/Virtual-Sessions.aspx>

These virtual meeting session connections will become available 30 minutes before the starting time of each session.

Delegates wishing to troubleshoot remote participation connectivity issues can do so during the 30-minute period prior to the start of the first session of each day. It is highly recommended to verify the connections, particularly for those delegates who intend to actively participate in the discussions.

Some meeting rooms may not allow for the audio of the remote participation platform to be integrated with the room audio system. In these meeting rooms, the in-person participants would be required to connect to the remote participation platform. Therefore, the in-person participants are required to bring a good quality headset with integrated microphone to the meeting sessions for use in such meeting rooms.

## **7 Webcast**

For those interested in following the proceedings of ITU-R meetings remotely, an audio webcast of the Working Party plenary sessions will be provided through the ITU Internet Broadcasting Service (IBS). Participants do not need to register for the meeting to use the webcast facility, however TIES access is required.

## **8 Conversion to a virtual meeting if COVID-19 related sanitary conditions substantially worsen**

Should COVID-19 related sanitary conditions worsen, the meeting organizers will inform all participants of a possible conversion of the meeting to a virtual one in due course via an addendum to this Circular Letter.

For further questions relating to this Circular Letter, please contact Uwe Löwenstein, SG 5 Counsellor, at [uwe.loewenstein@itu.int](mailto:uwe.loewenstein@itu.int).
