2 Programme of the meeting

The draft agendas of the meetings of WPs 6A, 6B and 6C, and TG 6/1 are already contained in Circular Letter [6/LCCE/109](#).

The working hours of the meetings are scheduled as shown in the table above. In view of the circumstances, the above-mentioned working hours will be applicable, on an exceptional basis, also to Friday's session. These working hours were chosen to accommodate the participation of delegates from various time zones, and also with a view to mitigate as far as possible the overlap between Working Party 5D and Task Group 6/1 during 21-23 February 2022. Other relevant information will be published on the Working Parties / TG websites, as well as in administrative and information documents.

3 Remote participation

Details for remote participation can be found in Circular Letter 6/LCCE/109.
