

Paul Frew, P.Eng.

Paul is currently the Vice President and Director of Government Relations for Motorola Canada Limited. In this capacity he is responsible for the company's interaction with governments, positions on technical, regulatory and policy issues, and, activity with associations.

Paul has been involved in the telecommunications industry for over 25 years. He began his career by working in several different engineering development labs, focused mainly on wireless technologies. With Motorola for the last 23 years he has held management positions in engineering, marketing and operations.

The organizations that Paul currently serves as a board member include; the Radio Advisory Board of Canada, as an elected Vice President; the Electro-Federation of Canada (EFC) as Vice Chairman; York Technology Association; and AIM International (Canada) as Treasurer.

Paul obtained his B.Sc. degree in Electrical Engineering from LeTourneau University in Texas in 1976 and is Registered Professional Engineer in Ontario.
