### United Kingdom

Joint Communiqué of 10.VI.2008:

*Cyprus Telecommunications Authority (CYTA)*, Nicosia (Cyprus), and *Network Telex (UK)*, Ferndown (United Kingdom), announce in this joint communiqué that, as from Thursday 12 June 2008, at 2000 hours Cyprus local time (1700 hours UTC), CYTA will no longer be directly handling telex traffic to and from Cyprus, such traffic being handled instead by *Network Telex (UK)* as the outsourced solution provider.

The Cyprus Telex Switching Centre in Nicosia will be closed and all direct circuits to and from Cyprus will cease operation at 2000 hours Cyprus local time (1700 hours UTC), on 12 June 2008. All traffic destined for the Cyprus centre will instead be routed via the Telex Switching Centre of *Network Telex (UK)* in Ferndown, United Kingdom.

CYTA subscribers' national telex numbers, together with the Telex Destination Code (TDC) "605" allocated to Cyprus under ITU-T Recommendation F.69 and the Telex Network Identification Code (TNIC) "CY" allocated to Cyprus under ITU-T Recommendation F.68, will remain unchanged.

As from Thursday 12 June 2008, at 2000 hours Cyprus local time (1700 hours UTC), the responsibility for international rates and settlements will reside with *Network Telex (UK)* which will handle direct all negotiations related to telex accounting rates. Telex traffic sent to or by CYTA subscribers shall be considered as *Network Telex (UK)* traffic. The total accounting rates and rates division as applied in relations with *Network Telex (UK)* shall be applied also for telex traffic originating or terminating in Cyprus. All Administrations and Recognized Operating Agencies (ROAs) are kindly requested to update their records accordingly.

As from Thursday 12 June 2008, at 2000 hours Cyprus local time (1700 hours UTC) *Network Telex (UK)* will handle the settlement of telex accounts, which will be done separately for telex traffic from/to the United Kingdom (Telex Destination Code (TDC) "51") and telex traffic from/to Cyprus (Telex Destination Code (TDC) "605"). Separate telex accounts should be sent to the following address:

Network Telex (UK)  
Kingsland House  
514, Wimborne Road  
FERNDOWN  
Dorset BH22 9NG

Telex accounts relating to the traffic sent to CYTA in Cyprus until and including Thursday 12 June 2008, prior to 2000 hours Cyprus local time (1700 hours UTC), shall be sent to CYTA by the end of June 2008 to the following address:
