Roadways

- **Bus**

Both public and private transports are popular in Pune. Public buses within the city and its suburbs are operated by the Pune Mahanagar Parivahan Mahamandal Limited (PMPML). The PMPML operates the Pune Bus Rapid Transit System (BRTS), the first of its kind in India, in which dedicated bus lanes allow buses travel quickly through the city. Maharashtra State Road Transport Corporation runs buses from its main stations in Shivajinagar, Pune station and Swargate to all major cities and towns in Maharashtra and neighbouring states.

Important: unless you have a weekly or monthly pass, you have to buy your ticket from the bus conductor inside the bus by paying Indian Rupees (INR).

Anyone arriving at Pune International Airport, Lohgaon, can obtain a bus ticket just outside the airport to reach various parts of Pune or you can hire a taxi service also. All the hotels mentioned in the information note document provide travel assistance from airport to hotels. Check the list of hotels for such service.

- **Taxis**
