Caribbean ICT Ministers' Forum Leveraging ICT for Development in the Caribbean
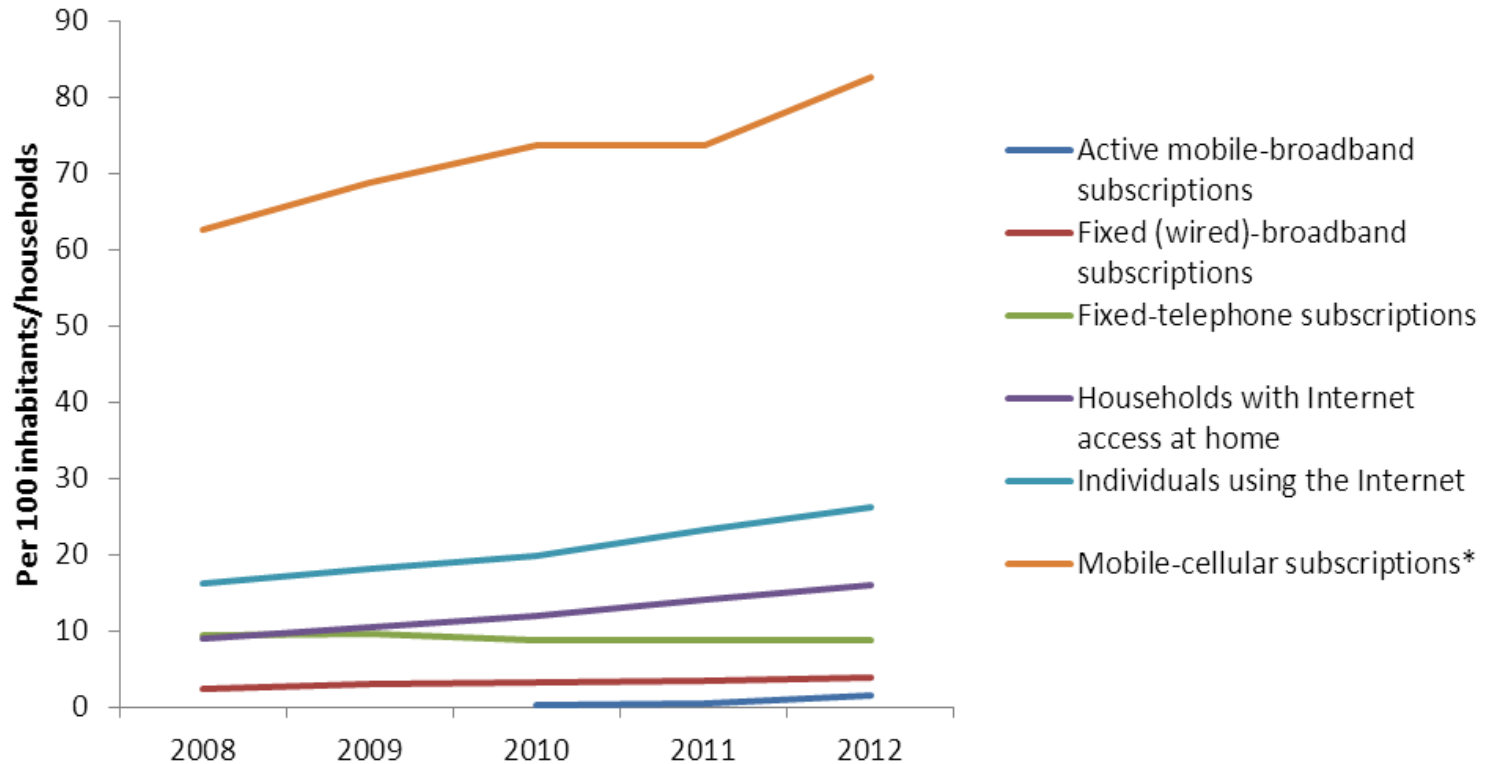

Port of Spain, Trinidad and Tobago 7-9 August 2013

State of ICTs in the Caribbean

Cosmas Zavazava
Chief, Department of Project Support and Knowledge Management
Telecommunication Development Bureau
International Telecommunication Union

# ICT developments in the Caribbean

Source: ITU
Note: * Decrease in 2011 is due mainly to the merging of two operators in Jamaica, which caused cancellation of double subscriptions. In addition, some countries cancelled inactive subscriptions.
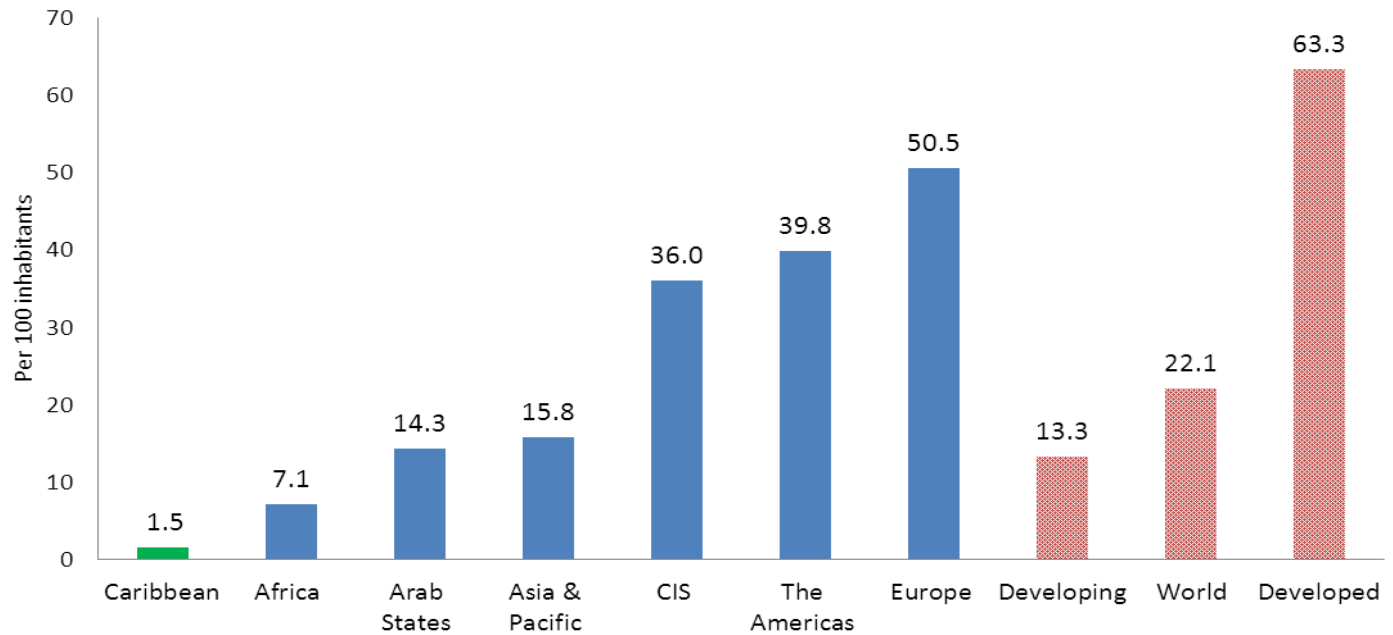

Annual growth in ICTs in the Caribbean
