

Uganda's Experiences and Counter Measures

Mangeni R. Arnold, CISSP®
Manager – Information Security Operations

17th December 2014

Online Concerns

- Cyber bullying
- Disturbing content
- Viruses and spyware
- Sexual predators

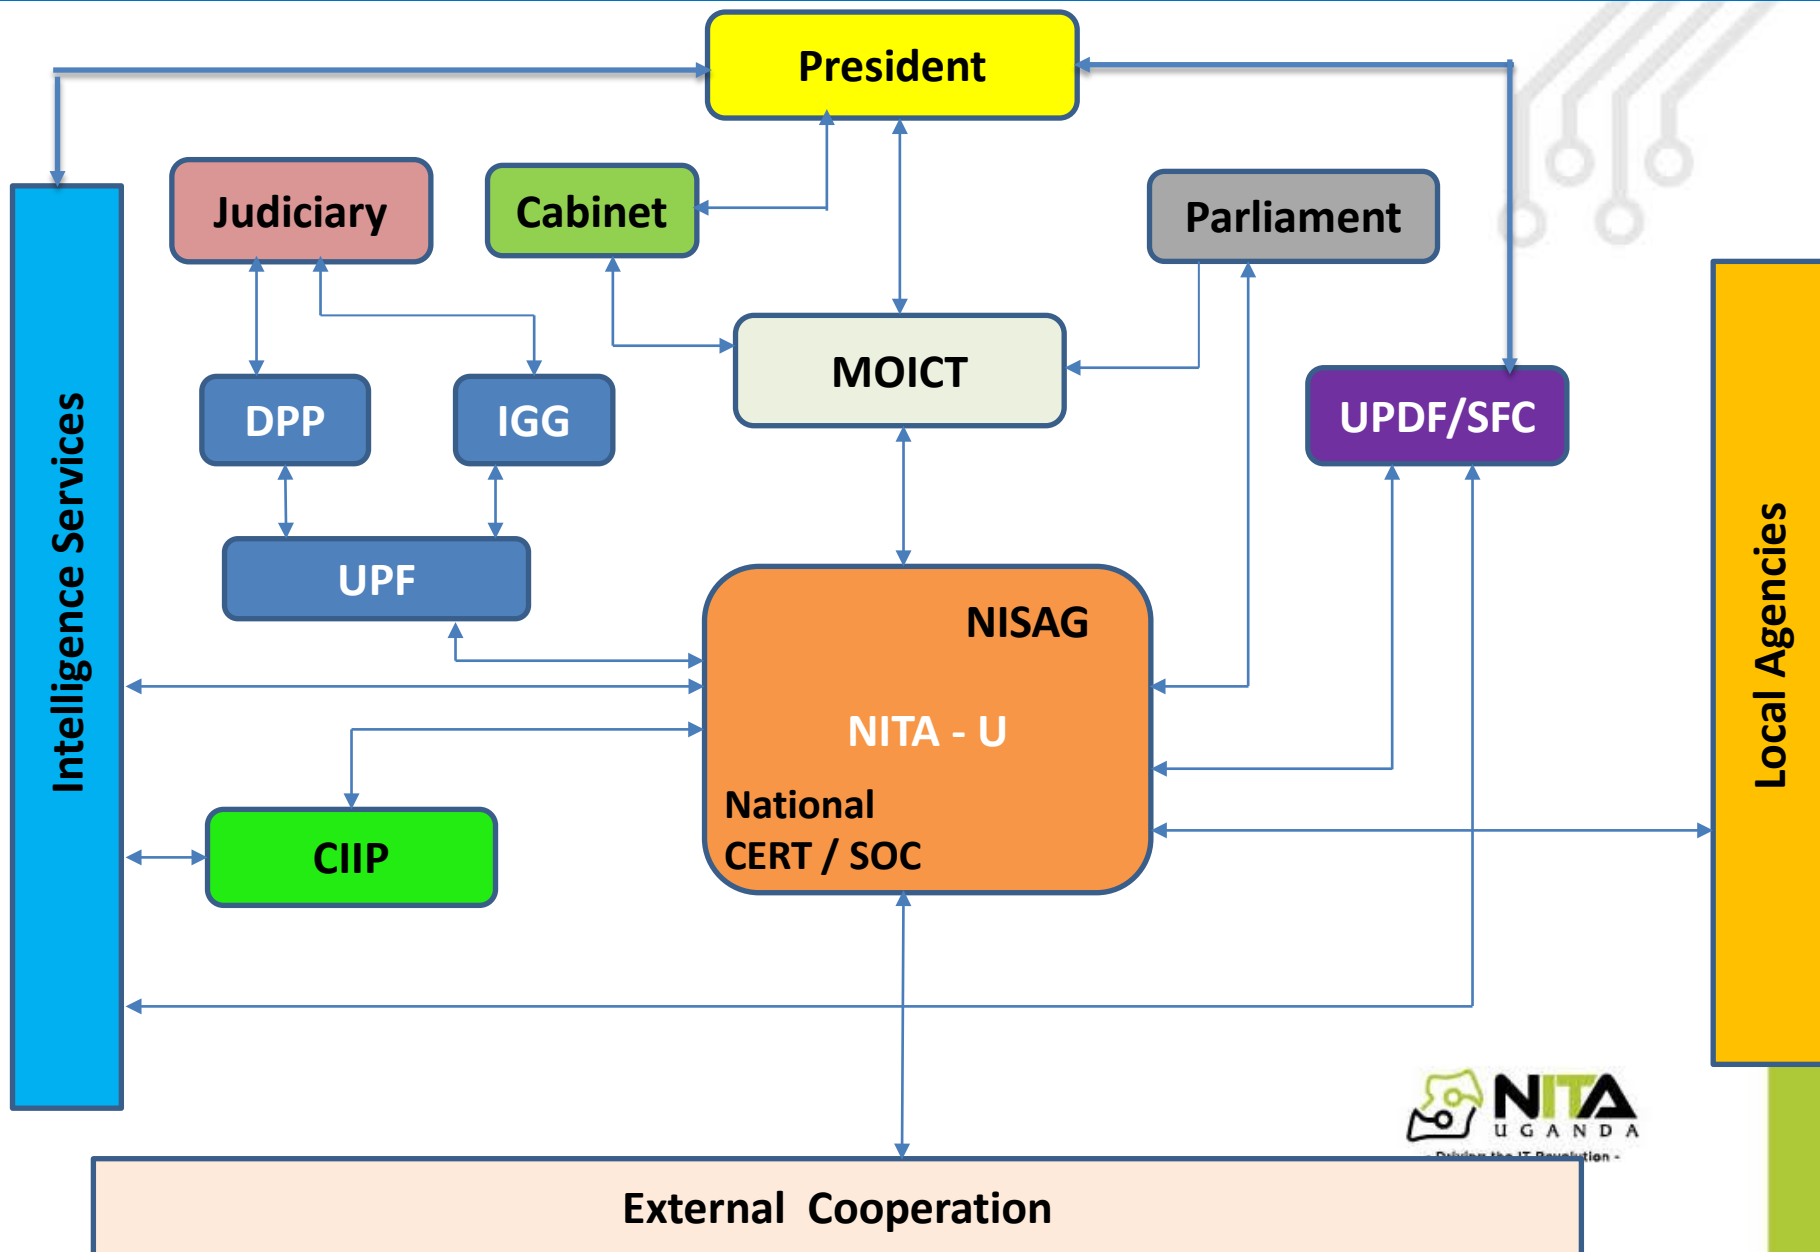

13

Our Experiences

1. Unguided; children put themselves in harm's way
2. Adults put children in harm's way
3. People trust less in the physical world; more online

Cybersecurity Control Tower

Measures to reduce crime

1. **Education, awareness, and training**
2. **ACOPEA**
3. **IWF OCSARP**
4. **NISF**
5. **ITU COP Guidelines**
6. **NISAG**
7. **CMA, 2011 (Section 23)**
8. **CCI**
9. **National CERT/CC (www.cert.ug), Comm CERT, 116**

Thank You
