Subject: **ITU Seminar on "Spectrum Management and terrestrial TV broadcast in Pacific"**  
**10<sup>th</sup> July 2015, Nadi - Fiji**

Dear Sir/Madam,

I am pleased to invite your organization to participate in seminar **"Spectrum Management and terrestrial TV broadcast in Pacific"**, organized by the International Telecommunication Union (ITU) with support from Ministry of Science, ICT and Future Planning (MSIP) – Republic of Korea and kindly hosted by the Ministry of Justice and Communications, Fiji on 10<sup>th</sup> of July 2015 in Nadi, Fiji.

The seminar is essentially targeted towards the senior officials from Policy making organizations, Regulators, Industry, National Spectrum Managing organizations, academia and International organizations involved in developing ICT policies, regulations, operations, strategies and other associated development or operational activities related to Digital Terrestrial Television (DTTV) and national Spectrum Management in Pacific Island region.

This seminar is being organized back to back with training course on Radio Spectrum Management and Services by AsiaPacific Telecommunity (APT) from 6-9 July 2015 at the same venue. ITU is pleased offer 1 fellowship to participants nominated by ITU member Administrations. The fellowship amount will cover the cost of stay and the pocket allowance for this seminar on 10<sup>th</sup> of July 2015 and would be in-line with the rates established by APT.

All the documents related to the event including the program and/or any further update can be accessed at the event webpage: <http://www.itu.int/en/ITU-D/Regional-Presence/AsiaPacific/Pages/Events/2015/July-ITU-APT-Fiji/Pacific-SM-Training-2015.aspx>

In case of any further information or clarification kindly contact Mr. Aamir Riaz ([aamir.riaz@itu.int](mailto:aamir.riaz@itu.int)).

I look forward to your active participation in the course.

Yours faithfully,

Ioane Koroivuki  
Regional Director
