ITU Members, Regulators and Sector Member
in the Asia-Pacific Region

Subject: **ITU Asia-Pacific Centre of Excellence Senior Management Training on “Telecom Strategy for the Pacific-The Next Five Years”, 16 - 18 November, 2015, at Nadi, Fiji**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the face-to-face training on **“Telecom Strategy for the Pacific-The Next Five Years”** to be held in Nadi, Fiji. This face-to-face training is organized jointly by the International Telecommunication Union, Pacific Islands Telecommunication Association and the Ministry of ICT (Thailand) as part of the Policy & Regulation and Broadband Access programme under the auspices of the ITU Centres of Excellence for Asia Pacific Region. The training is hosted by the Government of Fiji and is supported by the Department of Communications, Government of Australia. The training will be delivered in English language.

The focus of this training is to provide senior management and decision makers of ICT entities including governments, regulators and service providers with insight on the changing telecommunication/ICT landscape worldwide and brainstorm on the development of appropriate telecommunication strategy for the Pacific. The training, would be interactive in nature, is based on a study being undertaken by the ITU and PITA on the same topic.

Detailed information on this training is described in the training outline (attached). Updated information can be downloaded from the ITU Academy Portal at the following link <https://academy.itu.int/> or <http://www.itu.int/itu-d/asp>. Registration for the training should be made online at the aforementioned link no later than **31st October 2015**. The registration procedure is specified in the training outline. The training is offered **free** with support of the partners.

Mr. Ashish Narayan, Programme Coordinator (ashish.narayan@itu.int), ITU Regional Office for Asia and the Pacific is at your full disposal should you require any information.

Additional information on this training, such as an information note for participants, including a list of recommended hotels are also available at the above web links.

We look forward to your active participation and nomination.

Yours faithfully,

Ioane Koroivuki
Regional Director
ITU Regional Office for Asia and the Pacific
