

# Executive Training on the Role of ICTs in the Development of Inclusive Society for Persons with Disabilities

16 November 2017, Thursday

Blue Room, UN Eco House  
Stanka Dragojevic bb, 81000 Podgorica, Montenegro

Executive Training on the Role of ICTs in the Development of Inclusive Society for Persons with Disabilities, will be held in Podgorica, Montenegro, on 16 November 2017. This training is organized by the Telecommunication Development Bureau (BDT) of the International Telecommunication Union (ITU) in cooperation with the UN Office in Montenegro and the Agency for Electronic Communications and Postal Services of Montenegro (EKIP), within the framework of the ITU Regional Initiative for Europe on **Ensuring access to telecommunications/ICTs, in particular for persons with disabilities**, adopted by the World Telecommunication Development Conference 2014 (WTDC-14), Dubai.

This executive training is free of charge and aims at building capacity building and supporting stakeholders in their efforts to make ICT/TV/Video programming accessible to Persons with Disabilities in line with ITU standards and guidelines thereby deepening understanding and developing knowledge of core areas of accessible ICT/TV/Video programming for Persons with Disabilities.

Aimed at senior staff members of relevant governmental institutions, national regulatory authorities, ICT industry representatives, audiovisual media, content producers, service providers, academia and civil society, this national level training for Montenegro will include expert-led presentations, case studies and practical demonstration of how to implement accessibility services in TV/Video programming. The training is devised following previous assessments and responds to the national circumstances in Montenegro, to develop an inclusive society for persons with disabilities.

Registration information is available on the web page <http://www.itu.int/en/ITU-D/Regional-Presence/Europe/Pages/Events/2017/ET/Executive-Training.aspx> . The draft agenda is attached at annex 1.

Mr Jaroslaw Ponder, Head of the ITU office for Europe (telephone: +41 22 730 5467; e-mail: [EURregion@itu.int](mailto:EURregion@itu.int)), Mr. Ismet Kolarevic, Manager for Universal Service, EKIP (telephone: +382 20 406 728; e-mail: [ismet.kolarevic@ekip.me](mailto:ismet.kolarevic@ekip.me)) and Mr. Milos Popovic, UN Coordination Analyst, UN Coordination Office (telephone: +382 20 447 456; e-mail: [milos.popovic@one.un.org](mailto:milos.popovic@one.un.org)) are at disposal for any further information you may need.
