The screenshot shows the ITU login interface. At the top left is the ITU logo. To its right, the text 'International Telecommunication Union' is displayed in a dark blue bar. Below this is a horizontal line. The text 'Security (show explanation)' is followed by two radio button options: 'This is a public or shared computer' (unselected) and 'This is a private computer' (selected). A yellow warning message follows: 'Warning: By selecting this option you acknowledge that the computer complies with your organization's security policy.' Below the security options is another horizontal line. The 'Username:' field contains the text 'comasbar'. The 'Password:' field is filled with ten black dots and has a small eye icon on the right. A 'Log On' button is located to the right of the password field. At the bottom of the page, the copyright notice '© International Telecommunication Union. All rights reserved.' is visible.
