WOMEN IN AEROSPACE EUROPE

About Us

We are passionate about expanding women's opportunities for leadership and increasing their visibility in the aerospace sector. Being a part of our ever-growing network means benefiting from our programmes and special member offers, as well as connecting with like-minded professionals through our local communities.

Mission Statement

WIA-Europe aspires to be an active ambassador for aerospace. In this context, WIA-Europe acts as an independent network that advocates political commitment in space programmes, promotes professional development in aerospace and recognizes women's achievements in the sector. WIA-Europe welcomes the diverse talent that is key to the growth of a modern and dynamic aerospace sector in Europe and beyond.

Membership

As **individual member** you can benefit from a multitude of career-enhancing opportunities and contribute towards the achievement of gender balance in the aerospace sector. Our individual membership today counts more than 500 men and women from all over the world and is steadily growing.

Our **corporate members** are companies, institutes and organisations which have shown themselves to be dedicated to the issue of gender imbalance in the aerospace sector. Their employees are entitled to membership discounts, access to special events and training, and a great deal more.

To become an individual member fill in the online registration form and pay the annual membership fee.

Individual membership	€ 75
Student / Retiree membership	€ 20
Corporate discount membership	€ 50

We offer various levels of corporate membership with benefits for both the corporate members and their employees.

Platinum level	€ 10.000
Gold level	€ 5.000
Silver level	€ 2.500
Bronze level	€ 1.000
Non-Profit organisations	€ 500

We believe in gender balance!

Do you?
