# Android Quick Help Guide

**How to refresh the meetings?**

- Pull down to refresh the list of meetings. Any new or updated meeting will be retrieved from the ITU server and stored locally.

- If new/updated meetings are found, the "**New Updated Meetings"** screen will be presented.

- Press the "Done" button when finished

## How to select meeting presentation style?

The meetings are presented in 3 different ways:

- By the day (*Daily*)
- Indexed by meeting title (*Index*)
- Grouped by Committee, Working Group, & Agenda Items

Select meeting presentation

For *Daily, select* display date
