WRS-20 PLENARY SESSIONS in ZOOM
30 Nov - 4 Dec 2020

Registration in Zoom is mandatory to be able join the **WRS-20 Plenary Sessions** of your choice, according to your time zone.

The remote participation platform to be used is **Zoom**.

Upon registration, you will receive a **confirmation of registration email from** *ITU WRS-20,* *no-reply@zoom.us* **containing the URL to join the sessions and a unique link and passcode** (see example below) **to join the Plenary Sessions**. Please do not share the link with others as it is unique to you.

Can't find your Zoom confirmation of registration email?

- **Check your "Others" or "Junk" folders** if you do not receive anything into your main inbox.
- **1 hour before each session registered participants will receive a reminder** containing their personal connection instructions.
- You may also re-register to the event, as explained above.
