Note related to the coordination requests of geostationary satellite networks that are included in this BR IFIC

There are non-geostationary satellite systems included in the coordination procedure of some geostationary satellite networks with a date of receipt of Appendix 4 information that is prior to the date of receipt of the information of these satellite networks and for which the CR/C Special Section has not yet been published. These non-geostationary satellite systems have also been taken into account in the examination under No. 9.13.
