

BR IFIC 2900 – NEWS

Following changes to Decision 482 at Council 2019, with effect from 1.7.2019, the cost recovery fee structure for non-geostationary satellite networks subject to coordination has been modified as follows:

For non-geostationary satellite networks, the flat fee for categories C1, C2, C3, N1, N2 and N3 is applicable from 100 units to 25000 units. From 25000 units to 75000 units, there is an additional fee per additional unit, equal to the flat fee divided by 50000. Above 75000 units, there is no additional fee per additional unit.

For more information, please see [Decision 482 \(Modified 2019\)](#)
