

BR Space Software Installation v8 beta

Fabrice Evangelisti
(BR/IAP/SAS) WRC2016, Geneva

Installation Guideline

You must have **administrator** privileges for your PC when Installing BR Soft

If your Anti-virus is blocking the installation, you can stop it during the time of installation

Each PC has its own characteristics and specification; installation of BR Soft may raise unexpected issues

BR Space Soft – Global Installation

..\WRS-16\BRIFIC-2834\Space\BR_Soft_v8\setup.exe
