# CONVERTING A COORDINATION NOTICE INTO A NOTIFICATION NOTICE

- Using Spacecap, clone notice from a coordination request
- Change notification reason from No. 9.6 Coordination to No.11.2 Notification.
- Use Coordination Agreement Wizard to update coordination agreements.
- Enter Coordination Special Section number.
- Enter the updated information regarding date of bringing into use (dbiu), noting that a dbiu in the past means a confirmation that the assignments have been brought into use.
- If graphical diagrams are exactly same as in coordination, state this in the cover letter. Otherwise provide diagrams in GIMs mdb or gxt format, or paper.
- Consider whether you wish to request for the application of No.11.32A/No.11.41 in the event that the assignments received an unfavourable findings under No.11.32. If yes, please indicate in the cover letter.
- Ensure that  $\text{dbiu} - \text{d\_rcv} \leq 3$  years, otherwise do not submit notification yet (No.11.25).
- Ensure that  $\text{dbiu} - \text{d\_rcv}$  of API  $\leq 7$  years (No.11.44).
