

ST61 Agreement Revised 2006

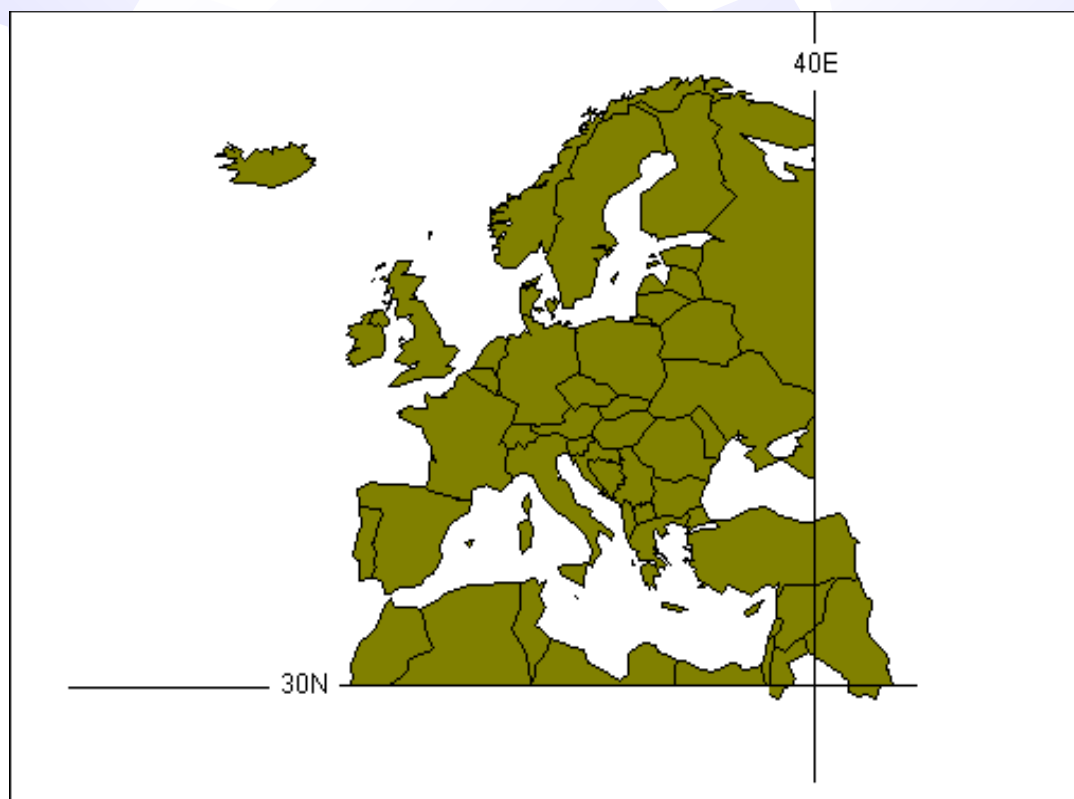

Broadcasting Services Division
Radiocommunication Bureau

Outline

- Planning Area
- Frequency band
- Features of the Agreement
- How to notify
- Conclusions

Planning Area - EBA

Frequency bands

- ❑ **41-68 MHz (Sound and TV)**
- ❑ **87.5-100 MHz (TV)**
- ❑ **162-174 MHz (TV)**

Modification procedures

- Exclusive bands
 - 41-68 MHz
 - 87.5-100 MHz
- Shared band
 - 162-174 MHz

Exclusive band procedure

- Consult affected administrations
 - Distances from the stations to the nearest points of the boundaries
 - Provide proposed technical characteristics so that affected administration can assess the probability of harmful interference
- Affected administrations to reply within **ten weeks**
 - If not, notifying administration will send a reminder

Exclusive bands (2)

- Affected administrations to reply within two (2) weeks
 - If not, considered to have agreed to the proposed change
- No agreement is reached, BR may be requested to make technical examination and inform administrations of the results

Exclusive bands (3)

- ❑ Modifications without consulting if
 - ❑ Reduction in power or changes that would reduce the probability of harmful interference

OR

- ❑ Distances to nearest points of the boundaries are equal or greater than the coordination distance limits

Exclusive bands (4)

- Notifying administration informs BR
 - Proposed modifications
 - Names of administrations consulted, where appropriate.
- BR publishes in Part B of a Special Section

Shared band procedure

- ❑ Exclusive bands BUT no coordination distances in Appendix 1 of Agreement
- ❑ Notifying administration informs BR of technical information
- ❑ BR publishes in Part A of a Special Section
 - ❑ **Comment period = 12 weeks**
- ❑ Comment should be sent **DIRECTLY** to notifying administration
 - ❑ **NO COMMENT = AGREEMENT**

Shared band (2)

- Notifying administration informs BR if no comment received at the end of 12 weeks or agreement reached
- Must Request publication in Part B for recording into the ST61 Plan (TB3 notice)

Which notice type?

- ❑ T01 for sound broadcasting
- ❑ T02 for television
- ❑ TB3 – Request for Part B
- ❑ TB2 – MIFR notification with identical characteristics
- ❑ TB5 – Suppress/Withdraw
