1. Introduction

In accordance with the schedule of ITU Telecommunication Standardization Sector meetings for 2015 (see <http://itu.int/md/T13-TSB-CIR-0145/en>), and confirmed by the management of the concerned study groups, the 22nd ITU-T IPTV-GSI event takes place in Geneva, Switzerland, Geneva, 15-19 June 2015.

2. Objective

The objective of the TSR process is to ensure technical coherence within the ongoing studies of ITU-T to provide strategic and technical co-ordination of the IPTV work across the Questions, Working Parties and Study Groups of the ITU-T that form the IPTV-Global Standardization Initiative (GSI). The TSR is expected to reinforce the role of the IPTV-Joint Coordination Activity (JCA) <http://itu.int/en/ITU-T/jca/iptv/Pages/default.aspx>, by ensuring the visibility and technical coherence of the studies, during IPTV-GSI events. More information on the role of IPTV-GSI can be found at: <http://itu.int/ITU-T/iptv>.
