### D. Browser – Search

Using the browser left side menu, you can make different searches and select relevant provisions and/or Decisions, Resolutions, Recommendations.

#### 1) Search by provision

By default, the box *"on provision number only"* is selected. The result of your search is shown in the dark blue lines and contains only provision numbers (see below 3 results for a search on Provision number 24).

# F. Save your Skeleton

**Important:** CPI is a web interface. Do not forget to save your skeleton before leaving the application if you want to retrieve it.

#### 1) Source Selection

Upon saving your skeleton, select the sources who are submitting the proposals.

The following can be selected :

- 1) your home country,
- 2) the regional common proposals if you are PP coordinator for a region, and finally,
- 3) Co-signatories. Select other countries from the drop-down menu.
