

New Publications on Sale!

Winter 2009/2010

Special areas of interest:

ITU's very first Comic Book on the history of the telephone which will appeal to young people whatever their age!

This is the latest edition of **Manual for Use by the Maritime Mobile and Maritime Mobile-Satellite Services** produced by ITU's Radiocommunication Bureau which all ships are mandated by carry on board to comply with international sea regulations

A weekly portable electronic Catalogue of Publications

We are pleased to present our new weekly web update of the Catalogue of Publications which is currently available in separate English, French and Spanish editions in PDF format and can be downloaded free of charge at: www.itu.int/publ/S-GEN-CAT.0L-2009

ITU's SMS4DC: an efficient, automated technical planning tool for spectrum management in developing countries

We offer a selection of quality souvenir gift items for sale from our Bookstore.

Visit us on the web at: www.itu.int/publications

All ITU standards are available in downloadable electronic and CD/DVD formats

Purchase individual ITU publications online by credit card for instant download (or subscribe to our online series) from our Electronic Bookshop at www.itu.int/publications or alternatively, purchase these directly from our Bookstore at the entrance of the ITU Tower Building, Geneva, Switzerland
